Fictional family sample · Created with Commonplace

Our year together

Laura Ingalls · 2025–2026

This small selection shows Laura's growth through reading, practical mathematics, and time outdoors. We chose one nature-study work sample, three books, and a creek walk to remember. This is fictional demonstration data, not a complete school year.

Work Samples

WORK SAMPLE 1

Leaf observations

Science · 2026-04-16

Laura compared three leaf shapes and described the edges in her own words.

Photo: Laura's leaf comparison — original fictional sample artwork

Reading

3 books selected for this portfolio

1. **The Secret Garden** — Frances Hodgson Burnett
2. **The Wind in the Willows** — Kenneth Grahame
3. **A Child's Garden of Verses** — Robert Louis Stevenson

Activities

ACTIVITY 1

Creek walk and leaf study

2026-04-16

Compared leaf edges, sketched three specimens, and talked about the plants growing beside the creek.
